Special Meeting
January 18, 2023

The Keating Township Supervisors met on January 18, 2023, at 5:00 pm at the Township Building with Vice-Chairman Anderson brining the meeting to order and leading the Pledge of Allegiance. Supervisor Spittler, Secretary Bowser and two (2) township resident attended the meeting.

PUBLIC HEARD: None

Supervisor Spittler wanted to make a m motion to advertise repair of the Valley Cross Road bridge as soon as we get the plans and exhaust all possibilities with the historic preservation. Supervisor Anderson stated that we did not want to do that. According to our engineer at ARS Engineering, we want to go ahead with advertising, as long as we don't do the work yet, it won't affect the status of the bridge for the historical preservation grant.

A motion was made by Supervisor Spittler/2nd Anderson to advertise for the repair of the Valley Cross Road bridge as soon as we receive the plans. Motion carried unanimously.

Adjournment was heard at 5:03 pm
Respectfully submitted,

Trudi Bowser
Secretary/Treasurer
